

Dear EDS Council members,

It is our utmost pleasure to invite you in France for the second EDS Council meeting seminar of the current working year. We are looking forward to welcome you in Marseille from December 7th to 11th.

In the first stage, the EDS delegates will take part at the EPP Congress “moving Europe forward” on December 7th and 8th. In the second stage, we will focus on internal EDS work with our Council meeting taking place on December 10th in an ancient Fort.

Marseille is one the most passionate French cities. You will enjoy its spirit from the Corniche trough the Vieux Port to Notre-Dame de la Garde.

UNI-MET stands for engagement in all France and particularly in Marseille where we hold the student Vice President position at the University. Our local group is campaigning for the student elections taking place one week before we meet.

Kind regards,

**Antoine Diers
MET Chairman**

**Pascal Ellul
MET international secretary**

**Olivier Vial
